

## **The Wilderness Center Nature Photo Club**

The May 5, 2018, meeting was called to order at 9:30 by president Rita Boyd. There were 57 in attendance.

Approving the minutes and treasurer's reports were postponed until the next regular meeting.

### **Business**

The June 23 meeting program will be Astrophotography, presented by The Wilderness Center Astronomy Club. The shooting topic will be Night sky or Moon.

The remaining books from the club library are available for a \$1 donation (each).

Rich Patrick presented the members' best photos. Contributors were John Bauer, Jordan Kercheff, Jennie Lambert, Suzy Lux and Richard Patrick.

### **Program**

After thanking Lora Davis and Jordan Kercheff for all their hard work on Fotofest, the program was turned over to them to present the awards.

Lora and Jordan thanked the over 15 volunteers who helped make Fotofest possible.

This year there were 280 photos entered from 52 entrants and over half of those who entered received an award (including 30 honorable mentions). There were 255 votes cast.

Refreshments were provided by Lisa Lee.

Meeting adjourned at 10:56 a.m. The next meeting will be June 23, 2018, at 9:30 a.m.

Respectfully submitted,  
Bryan Leaman, Secretary
