

The Wilderness Center Nature Photo Club

The club met unofficially on April 24, 2021 at The Amish Door restaurant at 11 a.m.

Dan Lux reported 3 bluebird nests at the Barnes Nature Preserve that should have been about to hatch.

The Merging Hearts Photo Club Photography Contest is scheduled for September 26.

People can sign up with the Toledo Zoo to visit the Magee Marsh Boardwalk, even though it's closed for general public access.

Photo topic

Shirley Weyrauch won the photo topic "Shadows".

Program

Paul Keske presented on how he uses Adobe Camera Raw and Lightroom Classic to develop his photography. He covered the benefits of shooting in your camera's raw format, the kinds of tools that are available in the software and his workflow.

Next meeting

The next meeting will be May 22, 2021, with Debbie DeCarlo presenting on Night sky/Astrophotography.

Respectfully submitted,
Bryan Leaman, Secretary
